

SKILLS TRAINING CENTRE

NRASW PRE COURSE PREPARATION

Our New Roads & Street Works courses are assessment based and intended for experienced personnel. Refresher training inputs are given on each of the units over the course of the week, however Operatives are expected to be proficient in the use of breakers, rammers and abrasive wheels and be physically fit and capable of carrying out practical excavation and reinstatement work.

Certificate LA - Avoidance of Underground Services

Read C.A.T. & Genny 2 Page user guide and use both C.A.T. & Genny before coming to the training centre under the supervision of an experienced operator.
